

Oracle Database Assessment Report

Total DB size in GB  
6,312

Database Summary

	Database Name ▾	No. of RAC nodes	Platform	DB Version	Allocated Storage	Used Storage
1.	TSSCDIST	2	Linux x86 64-bit	Oracle Database 12c Enterpris...	843	164
2.	TFIN	3	Linux x86 64-bit	Oracle Database 12c Enterpris...	3009	1547
3.	PSSCDIST	3	Linux x86 64-bit	Oracle Database 12c Enterpris...	1451	851
4.	PRCN	2	Linux x86 64-bit	Oracle Database 12c Enterpris...	2299	1212
5.	FINPROD	2	Linux x86 64-bit	Oracle Database 12c Enterpris...	2161	1523

## Database CPU utilization

Choose Databases

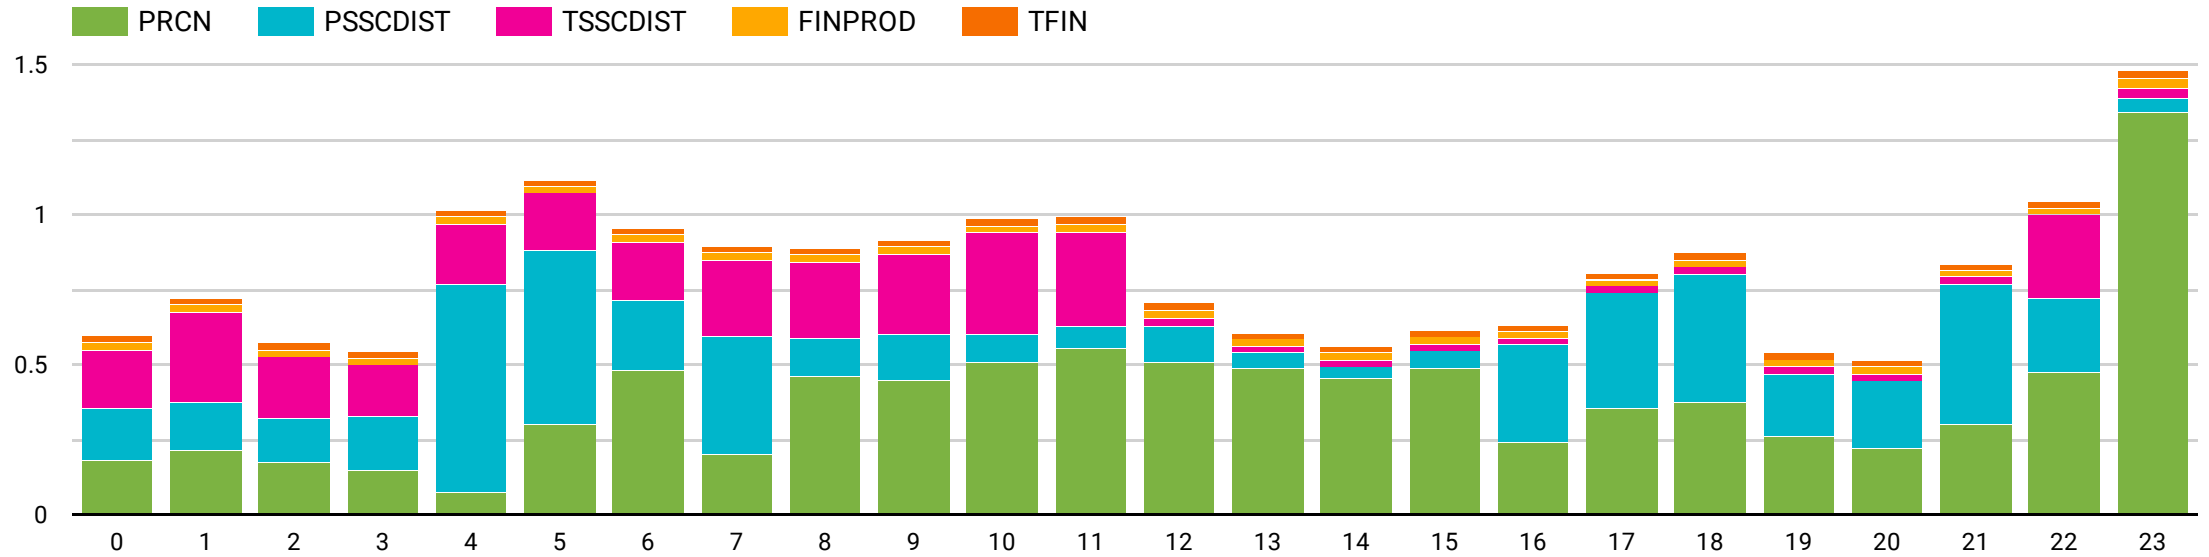

Chart Description: this chart show database CPU usage for each database. The max value of the CPU usage was used at the 95% percentile.

## Database IO

Choose Database

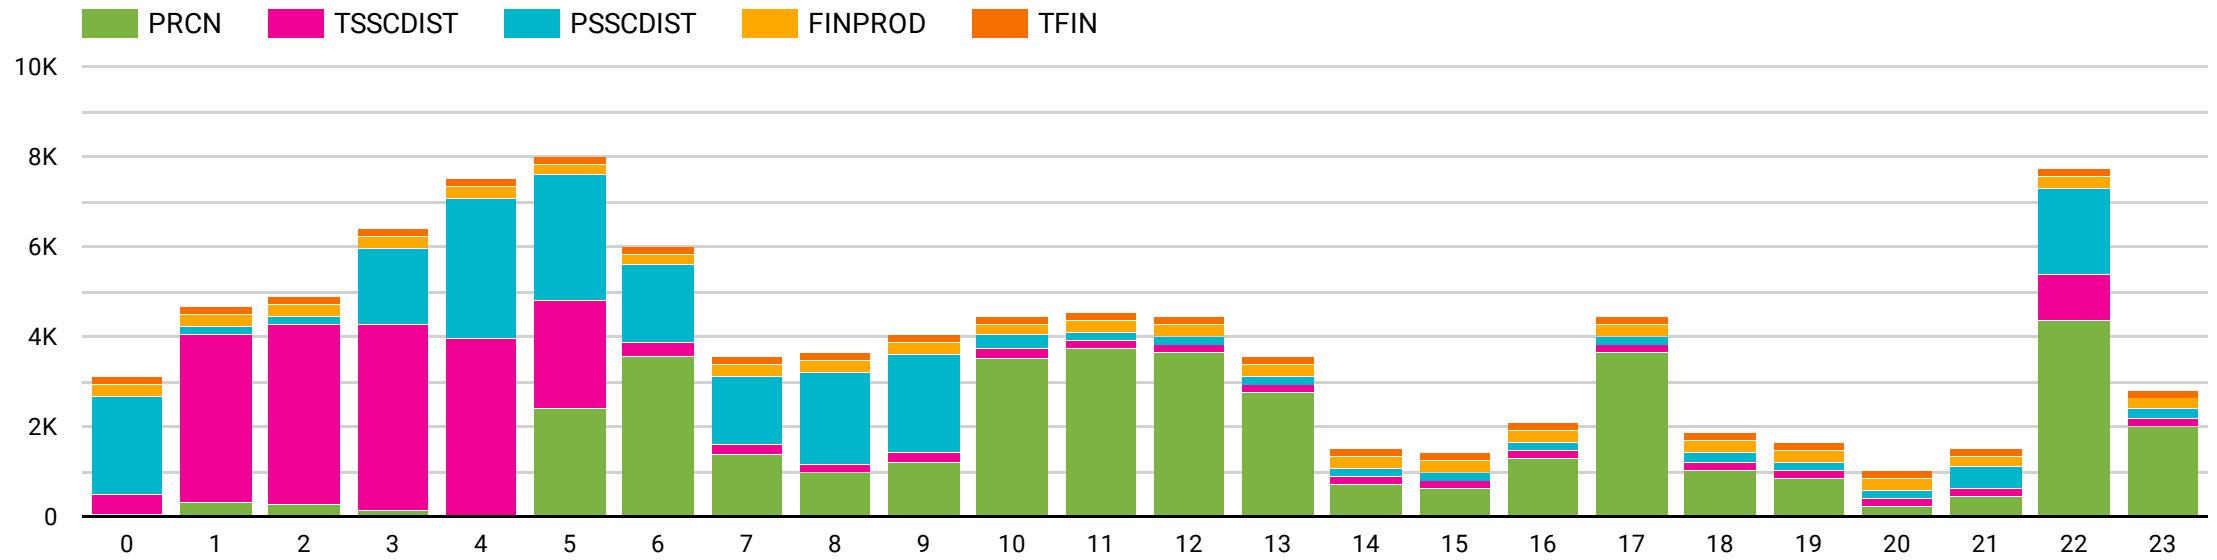

Chart Description: this chart shows IOPS IO/MS per second for each database. The max value of the IO usage was used at the 95% percentile.
